Subject: FW: Johnsie's paper

Ron,
Johnsie Lang's Nafion BP2 paper is in STICs and Chris and I have signed off, but it will need advanced notification to IOAA. Comments from Chris and I were returned to Neil on a hard copy. Our comments were fairly routine.

Hi Neil,
I put Johnsie's paper with Chris's and my comments in your mailbox. We both cleared it in STICs, but this paper will need advanced notification clearance through ORD prior to submission. I will send it to Ron and he will send it forward to the IOAA for further clearance.
Nice paper.

John
